Description

This stunning sofa features a blue velvet textile that is soft to the touch and adds a touch of luxury to any room. One side of the sofa features a playful design of lion and swan, while the other side features a more natural design of tree branches. Painted in a silver colour that adds a touch of sophistication. This sofa was made in the end of the 20th century and is constructed with high-quality beech wood for durability and stability. It's the perfect addition to any home and is sure to be a conversation starter.
